

Dear Families,

We are so excited about connecting on our Journey, this fall for Faith Formation!

Here's some great news: We've are incorporating an approach to digital eLearning that is so flexible and manageable, making the process simple for you, and providing options that work within the busyness and the responsibilities of family life.

Discover: Finding Faith in Life! provides a 20-minute, engaging eLearning lesson that the children can do on their own—and it's all so age-appropriate! This online tool allows you to review the material at home after class or if you are absent, as well as to review other lessons that you feel are important as a family. Just connect your child to the program, and they're good to go! Even better, you can access the eLearning lessons from any device that connects to the internet!

Here's how to login:

1. Go to: <https://mlearn.smp.org>
2. The username is usually in the format of FirstNameLastName1 (though it might be FirstNameLastName2 depending on the system).
 - Example – FrancisDeSale1
3. Password (automatically generated upon upload of students) (FirstnameLastname) and is case sensitive
 - Example - FrancisDeSale

Important Note:

Each child in the program has a username and password that is unique only to them.

Following the lesson, a wide range of options are provided to select from to unpack the lesson with your child. Familiarize yourself with the program using these tools:
