## Facility Scheduling

---

- All facility reservation requests are to be submitted to the Parish Office Manager utilizing the Facilities Reservation Forms, which are found in the Volunteer Work Room. Facility Reservation Forms may be submitted by hand delivery, mail, E-mail or Fax. Reservations must be submitted at least 1 month in advance which allows for processing, bulletin articles and promotion. Cancellation of events are to be submitted to Office Manager by e-mail or on a Facilities Reservation Form as soon as possible.
- Be sure to include ample pre-event set up and post-event clean up time. This should be listed under the column labeled “Setup Mins./Cleanup Mins.”
- Moving the walls in Brisson Hall requires training and takes approximately 30 minutes. Contact the Business Manager at least one week prior to the event.
- If there is a scheduling conflict, the Office Manager will attempt to resolve the matter as soon as possible.
- After a final decision is made, a confirmation will be sent to the requestor. Requestor should immediately check the confirmation for correctness and notify the Office Manager of any errors.
- Diocesan, Faith Formation, Sacramental, and Liturgical events will always take priority over other requests. Faith Formation, Sacramental, and Liturgical events also have space and storage priority. Events may need to be moved, rescheduled, or canceled in the event of unforeseen, extraordinary circumstances (e.g., funerals). The requestor will be notified as soon as possible.

## Facility Access System

---

- Those users who do not have an access key to the Church facilities should call the Business Manager during Church Office hours (Monday-Friday, 9:30 am to 4:00 pm) to make arrangements to sign out a key and learn how to use the access/security system. These arrangements are to be made no later than 3 business days **before** the event. Keys are to be returned directly to Business Manager or the Secretary during Church Office hours **no later than** 2 business days after the event.
- As responsible stewards to our community, please make sure the doors are locked and the security alarm has been set upon exiting the facilities at the conclusion of the event. The Church Staff is not always available to open, close, and secure the facilities.

# General Info and Guidelines

---

- Any parish property damaged or items requiring immediate maintenance attention call the Business Manager (910) 791-1003 ext. 105 as soon as possible. For an after-office hours emergency, call (910) 791-1003 ext. 100 and leave a message. This line is monitored after office hours for emergencies.
- Immaculate Conception is not responsible for any personal items left upon departure. They may be placed in the Lost and Found bins located in the Volunteer Work Room (under the desk) at the Church or the De Sales Faith Formation Lobby.
- With prior approval, signs, posters, pamphlets, etc. may be posted on the Church or De Sales Faith Formation Center bulletin boards, pamphlets racks, or in Gather/Lobby areas **only**. Requests should be made on the Facilities Reservation Form and must be approved before they can be placed. For approval of: Church Items – Church Secretary; De Sales Faith Formation Items – Coordinator of Children’s Faith Formation
- All copiers (located behind the Reception Desk at De Sales or in the Volunteer Work Room in the Church) are available for use to copy materials for groups, events, or meetings **only** (no personal copying). Note on Facilities Reservation Checklist any problems concerning the copier (i.e., jamming, lights on, making bad copies, etc.). Do not attempt to repair, report to office staff.

## Building Maintenance Responsibilities and Guidelines

---

- Outside lights, heating, and air conditioning are automatic. Do not tamper with any thermostats, as one thermostat controls several rooms. Contact Business Manager prior to event if you have concerns.
- Use only the area(s) approved on the Facilities Reservations Form. Groups/Individuals are allowed only into those spaces specifically requested/approved for their use. (Exceptions, of course, are access to restrooms and cleaning supply areas. These spaces are assumed to be of approved use. They are to be kept clean and tidy.) Presumptions cannot be made that unoccupied areas are available for use. They may have been cleaned and set up for another group.
- Chairs or tables are not to be removed from any room unless permission has been given by the Office Manager. All relocated chairs and tables are to be returned to the original location after the event.
- Requestors are responsible for ensuring that any space(s) approved for usage are returned to the exact same condition (i.e., state of cleanliness), utilities status (e.g., water, lights), security posture (e.g., doors closed/locked) in which they were found prior to use. This includes putting chairs and tables back in their original locations if they were taken down or moved.
- Regarding cleanliness, be a Good Samaritan and leave all areas used even cleaner! You are expected to clean up after using any part of the facility.
  - The **De Sales Faith Formation Center** cleaning supply closet is located between the restrooms.
  - The **Church cleaning supply closet** is located to the right of the men’s restroom.
  - Sweep or vacuum as needed.
  - Wipe off all tables and chairs.
  - Remove perishable foods and do not leave in refrigerators unless prior approval is made.
  - Recycle bins (Large royal blue trash container with “recycle” symbol) are available and should be used for appropriate recyclables.
  - Empty and remove all trash. Room trash bins should be emptied into the large receptacles located in hallway next to kitchen.
  - For major events, please empty trash into the dumpster and replace clean trash bags in receptacles. Trash bags are located in the metal cabinet in hall utility closet in the church and in the utility closet in the hall in De Sales.

# Mandatory Safety and Risk Management Guidelines

---

**For the utmost safety of our parishioners and our Church premises, these guidelines must be strictly adhered to:**

- Use of the facilities is restricted to parish, deanery and diocesan sponsored events. Pastorally, ICC is not equipped to handle other outside requests because of maintenance, supervision and Safe Environment issues.
- If beer and wine are to be served at any parish event, it must be done in absolute compliance with diocesan policy, ABC liquor licensing and approval from Pastor. **Hard liquor is banned** on church premises. (See Office Manager for instructions and determination of ABC liquor licensing.)
- Any events involving minors (18 and under) require that minors are to be supervised at all times according to the provisions of the **Diocesan Policy for Safe Environment for Children and Youth**. Requirements of this policy must be met before permission for the event is granted. Contact the Office Manager or Youth Faith Formation Staff regarding these regulations.
- Requestors should familiarize themselves and participants with the locations of the nearest fire exits. In the De Sales Center, rooms 16, 17, 18, 19 and 20, the windows can slide open for emergency evacuation. These windows are opened **only in case of emergency**.
- Procedures in case of medical, fire and maintenance emergencies:
  - **For medical emergency call 911 immediately.**
    - Church:
      - Church telephones are located on left side of door in the kitchen and in hallway adjacent to water fountain.
      - A defibrillator is located on the wall in the hallway area adjacent to the kitchen on the right side of the church when facing the altar.
      - First Aid cabinet is located in hallway adjacent to kitchen mounted on wall.
    - De Sales Faith Formation Center:
      - De Sales Center telephones are located at the front reception on the desk and on the walls by the doors in the nursery, kitchen and Room 15.
      - The defibrillator in De Sales is located in the cabinet in the hallway just outside of Brisson Hall.
      - First aid kits can be found in:
        - De Sales: Resource Center, Main Kitchen (Room 12), Room 5, Nursery
      - The Faith Formation Director and Youth Minister have emergency contact and medical information for youth participants. Contact an on premises staff person immediately after calling 911. After office hours, call 911 and then call (910) 791-1003 ext. 10 and leave a message. This line is monitored 24 hours for emergencies.
  - **Fire emergency call 911 immediately.**
    - Evacuate all participants in your group from the premises. Keep participants grouped together and do not return to building until you are instructed to do so.
  - **Maintenance emergencies** (i.e. overflowing toilet, etc.) Contact Claudia Sing, 910 617-8698 or Michele Bean, 413-794-3326
