

**What:** Escape Rooms are live-interactive adventure games. Your team is "trapped" in a themed room where you search for clues, solve puzzles, open locks and try to escape in 60 minutes or less. We will be doing "Cell Block D". An undercover FBI agent sent to investigate disappearances at a prison has gone missing himself. The FBI has now sent your team to find out what's happened to the agent, and the prisoners.

**Who:** Any JYM or TYM Youth!

**When:** Saturday, March 28 from 1:30pm – 2:30pm

**Where:** iEscape Room. 100 N Lake Park Blvd, Carolina Beach

**COST:** \$10.00 per player

**Other:** The game has limited spots available, and so first come-first served. Paperwork and payments are required to reserve your spot. *We will be booking a second game for later in the same afternoon if there is overflow from this one!*

**iEscape asks that guardians sign a waiver in person.**

*There is metered parking along N Lake Park Blvd and the surrounding side streets as well as a public parking lot 1 block away on the corner of Harper Ave.*
