Immaculate Conception Parish  
6650 Carolina Beach Road  
Wilmington, NC 28412

March 22, 2010

Dear Parishioners,

This letter is accompanied by the results from the recent study of the Diocese of Raleigh Catholics. You were generous enough to allow your parish, Immaculate Conception, to be included in this study. Two documents are included: (1) the final results of the survey with no analysis or breakdown, and (2) an executive summary of the study. The latter includes highlights, research methods, data breakdown by age, gender, etc. for select questions, and further comments outlining significant findings.

Much like the empirical study, I am grateful for the generosity of people's time and the discoveries are enlightening. This was an enormous effort and I could not have completed the task without your cooperation and cooperation of your parishioners. Thank you!

Sincerely,

Christopher Born
